Dear Friends,

Hero DMC Heart Institute takes immense pleasure and pride to invite you to WCC 2020 - the 12th annual conference of the WINCARS on 7th and 8th March 2020. This event is organized on the eve of international women's day every year. It aims to review the latest in field of cardiology, especially issues pertaining to women cardiac health. The faculty includes the renowned cardiologists and physicians across the country. Besides panel discussion, Research Award Papers and Cath-Lab CD presentations, the scientific program aims to touch the pertinent aspects of present and future of cardiology.

Wishing you a great academic feast.

Best wishes

**Organizing Committee**
